Hi Peter,

Linda, you are correct.

The Federal Leaders Meeting has been on the calendar for a while but I forgot to add Dan to my Federal Leaders list (I just corrected that). I sent out the materials yesterday to the Federal Leaders and followed up with emails to the RIT. The RIT has had this on their radar for a while and I have received replies from everyone except the Army. Some Leaders will join in person (maybe about half) and some will be on the phone.

I am a little more concerned about the tribal meeting as we have not received any additional comments from tribes on the Action Plan. I worked with Cecelia on this before the holidays and she sent notice to the tribal leaders. Also, Linda sent meeting went out to tribal leaders a while ago from Dennis. Cecelia was also meeting with Tribal Leaders or the TMC last week but I have not heard from her on how that went (attendance, etc). I need to follow up with her today.

Peter, Susan is working to set up a quick check in call with you today to go over the meetings tomorrow and status of the Action Plan. Linda, we will head up early tomorrow to set up the room and help escort people up to 21.

Thanks!

Gina

Just to clarify, I have all the attendees for the first meeting, and my understanding is they all continue to the 2nd meeting but the tribal reps would be added in, correct?

We did update the invite to the tribes on Friday with the agenda (per Gina). It's just hard to tell who those folks are from email addresses. Only looking for most senior rep from each Tribe.

Gina/Susan/Erik can you work with Linda to make sure we remind/check on attendees for tomorrow. I am worried they were not adequately notified.

We also need to get the agenda out to them this morning.

Thank you,

Peter

3pm works for Dennis – if there is anything to be printed ahead of time, please send to Linda E (I'm working remotely today).

Also, I still have not received any names for the public calendar for the Tribal representatives attending the 11:30 Tribal Consultation...

Linda/Linda and Kendra,

Sorry for the last minute scheduling but we need to brief Dennis (and Michelle if she can make it) before the Fed Leaders/Tribal Leaders meeting tomorrow and on a couple of other hot issues (HTL/Aquaculture/Navy). I have sent an invite for 3pm to Dennis/Michelle with those that should be included just to put a placeholder in.

Thank you,

Peter
